Increase in activity in the 1st quarter of 2017

HERIGE Group posted turnover of €131 million for the first three months of 2017, up 2.8% like-for-like, i.e., not including VM Piscines and the other activities currently being sold, on the same period in 2016.

All Group activities contributed to growth:

- turnover for Building materials trading increased 1.6% like-for-like on the back of a recovering market, particularly for the public works sector,
- turnover for the Concrete industry increased 8.0% following an increase in volumes, primarily for ready-mix concrete,
- turnover for Industrial joinery increased 2.4%, boosted by its new product AM-X and its Closures division.

Outlook and developments

Against a positive backdrop of a gradual recovery in the construction sector, HERIGE Group is confident of its capacity to capitalize in full on a more dynamic market.

As part of its 2016-2020 plan to refocus on its core activities, the Group’s strategic goals include achieving lasting profitable growth to finance its future development.
